“

I have loved every minute of my time so far at UOW, especially living in Campus East accommodation. Everyone has been so nice since the first day and the events and activities bring everyone together and instantly made me feel at home. I love being close to the beach, going for walks, enjoying good food and hanging out with friends - I can't describe how grateful I am for the friends I've made here. It's a once-in-a-lifetime opportunity to study at UOW, so I'd tell anyone to seize the opportunity if they are lucky enough to have it!
